Subject: Duracote Corporation

Ms. Hriczko:

On behalf of Duracote Corporation, please provide us with the Nexus information concerning the Superior Barrel and Drum Site, Elk, Gloucester County, New Jersey.

Additional, we are requesting additional time to review the Nexus information to see if it helps us find anything. On November 21, 2005, Duracote Corporation was sold to Dirk Desanzo (to a Trust). Mr. Desanzo passed away in April, 2006. The ownership of Duracote Corporation transferred to his three (3) children (in Trust). Effective at the change of ownership in late 2005, new management took over. We have made an exhaustive search for any document which identifies Superior Barrel and Drum, but have come up empty. We have spoken with current and former employees who predate the change of ownership to see if they have any recollection of a Superior Barrel and Drum. We have been unsuccessful in this investigation. The only remaining option we have been able to think of was to contact the former President/ Owner, William Truog, through his attorney, but we have not heard anything back.

Thank you in advance for the extension. We will fill out the Request for Information to the best of our ability.

Darren
